SUCCESS IS JUST A BYPRODUCT

Bisk CPA Review is a division of Bisk Education. Founded in 1971, by Mr. Nathan M. Bisk, Bisk Education was started with an aim to provide students career-ready courses. Since then, Bisk Education has been imparting knowledge with innovative teaching methodologies, making learning easy and comprehensive. With its endeavours of transforming a student into a successful professional, Bisk Education has grown to become the world's largest exclusive online education provider. It facilitates degree and certificate programs from the U.S. leading universities, offering end-to-end, lifelong learning solutions.

Bisk CPA Review course material is designed to accustom students to today's demanding career challenges. It makes them grow with a faster pace in the competitive corporate world by equipping them with sharper tools of accounting knowledge. The Bisk CPA Review students are always ahead of their competitors as the course material encompasses all possible aspects and requirements of a successful career in accounting. It adds significance to their career graph because success always awaits Bisk CPA Review students.

CPA Review is the product line of BISK CPA Review which provides students requisite knowledge of accounting principles and fully prepares them for the U.S. CPA Exam. An extensive and well-researched course material offering everything one needs to pass the U.S. CPA exam in the first attempt.

Unique teaching techniques

- *Instructor led reviews.*
- *Independent self-study programs on CD-ROM, video, audio and text.*
- *Interrelated products, ensuring maximum retention.*
- *Gets accustomed to individual learning styles.*

Bisk CPA Review has always been considered to be the home of achievers. Since 1971, Bisk CPA Review has helped more than 140,000 candidates pass the U.S. CPA Exam. For more than past 10 years, the University of South Florida, using Bisk Study material, has ranked, more often than any other university, as one of the top five schools in the U.S. for students with advanced degrees passing all sections taken on the U.S. CPA exam.
